

4066
Suicide Prevention Training

The following employees are required to complete at least one hour of suicide awareness and prevention training every year:

- School nurses
- Teachers
- Counselors
- School psychologists
- Administrators
- School social workers
- Para educators
- Community Coaches
- Bus Drivers
- Kitchen Staff
- Custodians
- Secretarial and Clerical Staff

These employees must complete the on-line training provided by the Nebraska Department of Education no later than October 1 of each school or within 30 days of their initial employment. Failure to complete this training shall constitute just cause for the termination or nonrenewal of an employee's contract.
